

Last week was Club Night. Thank you to those members who stayed to participate. Without input from you, there is no way I can ensure the Club is what you want it to be and does the things you want it to. Gilly emailed me her report from the Foundation Committee meeting she chaired on Tuesday last. Still waiting for reports from the other committees.

Where are the non-perishable food contributions for our collection of goodies for Presbyterian Support (Family Works)? The box that Stephen made for the purpose is looking rather sad Dust off the memory. Bring along to each meeting now, until the last before our Christmas break up, a contribution. To add an item or two to your weekly shop will not cost much. I would love to need a Ute to take our contributions to Presbyterian Support. Maybe enough to feed a mouse but nowhere enough for one household let alone several. Is this the magic club or what??

Next week an evening with a difference. A visit to Betts Funeral Home and food there too!! Death and Tax are certainties. Neither are nice subjects but ones we ought to be aware of. I am certain you will find the visit to be informative, even if it is not something you feel comfortable about, it is better to be informed than not.

Besides if you bring along the food contributions, as requested for Presbyterian Support you may save someone from needing the services of Betts before their time, simply by giving them hope and cheering them along!! Just a cheeky dig to prompt you to support this project

See you all on Tuesday at the magic club. Rotary makes a difference let's do it!!

President Who?
President Hugh.
Cheers
