

Jess summarised achievements of our Club over her 12 month term. My goodness, we certainly achieved a lot; under the very capable leadership of Jess. Wood cutting, Quizzes ,Shelter Boxes, Julie's award recognising her and in essence the team she was part of. Plus, Jess' was invited to Wellington as they seemed curious to feed off how Timaru Rotary could attract a youngish capable leader of such a high calibre. Jess never missed one single tea meeting during her term. That was a great record. Thank you Jess on behalf of all of us. You were an outstanding leader; and so say all of us!!

Jess, has set a high standard. I truly have a real challenge to meet; but promise to do my best. Congratulations to our newest Paul Harris fellowship awardee Shaun. A further Awardee of additional Paul Harris pins was Lionel Wilson, aka Mr Rotary. Lionel's contribution over many years is truly Magic. Thank you Lionel you are a back bone of our Club.

Remember if everything is coming at you; move lanes, go with the flow. Without your support I can do nothing. I look forward to your support and leading our Club through another successful year!

Until we meet for Tea

Yours in Rotary

Hugh Perry
