

Next meeting is the half AGM boring to many but it is important you are there and hear the business to be dealt with at that meeting. If time permits, I will then ask members go into their respective committees, to consider their 2022 plan.

The following meeting is our Christmas Dinner at the Shearers Quarters. If you wish to car-pool, please advise Cheryl and that will be organised. Numbers need to be in by this Friday 3 December 2021. Complete the attendance list for that meeting date by the normal means.

It will be the last chance to make contributions for the food bank. Thank you to those who have brought something along. Please bring a little more on Tuesday give those in need a little cheer at Christmas.

Hugh Perry
President
