

We received a lovely card in the mail this week:

“To Russell and the Team. Many thanks for the path. Best wishes from Linda and Terence”  
(the recipients of the Helping Hands project)

Reminder if we are running any projects to let Lionel know so he can pass in the information into our District Insurance Broker. We are covered for the HDV and Wood Cutting but extra events we need to let them know.

Looking forward to our next Club night. I will be sending out an agenda this weekend for you to have some time to conjure up some ideas!

Closing thought this week: Everything you've ever wanted is on the other side of fear.

Have a great weekend
