

On Monday night Bev and I represented the club at an event hosted by the YMCA. They shared videos of students who have completed programs at the Y and spoke of the opportunities to help the YMCA continue its work with our local youth. It was SO FABULOUS to hear the Y-Drive program (that we donated funds to from the Moyes Trust) is a success and that they have had approximately 40 people registered already. They are even needing a new driving instructor as they are struggling to keep up with the demand. So if anyone knows of anyone who might like to help out, give the Y a call!

More great news, our National Science Forum applicant was selected ?Congratulations Rebecca Le Squire! Rebecca attends TGHS and is extremely excited to be going on the trip.

Don't forget to think of a 'worst job/interesting job' or 'fun/unknown fact' about yourself as it will resume next week and you might get the call up! Also let me know if you want an End Polio Now Tee - this Tuesday is cut off.

Thought of the week: Sometimes we're tested not to show our weaknesses, but to discover our strengths.

Have a great weekend!

Jess
