

Some of us headed down to the opening of the SC Bike Park at Caroline Bay on Saturday afternoon. I brought my nephew down and he absolutely loved it! (liked it more when most of the kids had left and he almost had the track to himself! Lol) Although it is only 'phase one' completed (still needing signage and traffic lights and the surrounding area fenced, seats etc) the track itself is "drivable" and is fantastic! If you have young family around at Christmas it's a must do!

I hope that you all have a lovely break from Rotary, a great holiday season and get to catch up with your friends and families over the holidays! I know I am looking forward to 2 long weekends in a row!

Our next meeting will be for a BBQ at Cheryl's house on Tuesday 19th January 2021 – details will follow in the new year.

Merry Christmas Everyone!

Jess.
