

Don't forget to bring along your partners for next week's 'Annual Altrusa Quiz Night', should be a great night out!

Nice to have Robyn back with us after her hip replacement.

Good news that Shaun is back doing laps around the grounds after his hip operation.

Wonderful news that Liz D's surgery was a success and she is on the mend at home.

House Keeping Reminder:

Please apologise online if you are unable to attend the dinner meeting – we need to know by Monday 12 noon. If it's later please call/text/email Lionel or myself so we can let the TT&CC know.

At the end of the dinner, please return glasses to the bar area, and crockery and utensils to the trolley around the corner of the doors.

Duties – PLEASE DO IT! Check the roster online or listen to me each week for your reminder, and remember, Host 2 is to organise the raffle prize (contact Robyn B if you are unable to make it on your turn and she can help you out).

Keep thinking about your worst job or fun fact for me please ?

Thought of the week: If Cinderella's shoe fit perfectly, then why did it fall off?

Have a great weekend!
