

The club is needing to fill our roster for the hot dog and chip van for Rock and Hop on the 19th and 20th March. We are needing all hands on deck PLEASE as a number of us will be attending Conference and are unable to work. Please please please if you can work a shift – or even half a shift, could you let us know and pop your name on the roster. Rock and Hop is one of our great money makers of the year and it would be terrible if we couldn't get the van running to full capacity.

If you are unable to work in the chip van for various health reasons then there is an alternative option - to attend our District Conference that requires NO physical activity other than perhaps raising a glass or some food to your mouth – so there is no real excuse not to attend..... Our good friends down in Waimate have been busy organizing a great event and it would be lovely to show them some support, especially seeing as it is only half an hour down the road.

A reminder to those of us who have neglected to pop an envelope into the Jiminy Cricket Pot around your birthday time.....please do so! We all know what is expected, so let's not get too rebellious and get those envelopes in! (this includes a reminder to myself! #nooneisperfect)

Please let Bev know if you are available for upcoming Riverstone Lunch Trip (see below for details)

Thought of the week: By being yourself you put something beautiful into the world that was not there before - Edwin Elliot

Have a great weekend!
