

Steve is planning a fundraising walk from Mt Cook to Caroline Bay on the anniversary of this Stroke, so something to keep an eye out for. Our club recognised Steve's efforts in our community by presenting him with a Sapphire Paul Harris Fellow. A well-deserved award for someone who has done so much for the people in our community. (see story below)

Our club needs to have at least 1 person (more welcome!) to represent us on the Christmas Parade Committee. A couple of years back we committed to help organise this community event with the Timaru Lions Clubs and Timaru North Rotary. We have now found ourselves without a representative on this committee. The next meeting is set for 20th September, in the evening, and we are needing a volunteer to pop along. Please let me know if you are available.

A reminder to think of your worst job or fun fact and let me know.

Have a great week everyone!

Jess
