

Next week we have a little surprise to add the night – a student from Mountainview High School will be joining us as she has recently participated in a Rotary Program and she wants to tell us all about it. She would like to get some practice talking to an unknown audience to improve her public speaking also. So she will give us a short speech as well as our guest speaker Keiran Parsons.

Reminder if we have any projects or events we would like to promote on the radio our Lee Johns is on the radio each week promoting local/community activities. Give her a shout ?

With the return to Level 1, we will be able to re-open the Hot Dog Caravan again – yay! We are just confirming some dates with the Rugby Union and we will get the roster updated over the weekend up so you can pop your names down.

Closing thought of the week: “We cannot solve our problems with the same thinking we used when we created them” Albert Einstein

Have a nice long weekend!  
Jess
