

It was lovely to hear from our RYLA participant Andy van der Heyden this week. It was very apparent that the course had a profound effect on him and he took away so much from the week-long course. During dinner, he praised the organisers and said they didn't have a dull moment the whole week- so well done Leanne and the RYLA team!

We still have a gap in the HDV roster for Rock n Hop - Cook on Saturday, if anyone is available please pop your name down?

For those who aren't in the HDV, have you registered for Conference yet?

Closing thought (warning-not very PC): Seize the moment.... Remember all those women on the Titanic who waved off the dessert cart.

Have a great weekend
Jess
