

Thursday night Bev, Lionel, Lynette and myself attended the Waimate Rotary Club's charity auction night. What a great night that was! It's one of their main fundraisers for Polio, Every Child A Future – vaccines in the pacific, Shelter Box, and Foundation. They managed to raise a record breaking \$40,000 for evening. It was really great to see their local community really getting behind this event. The dress up theme was "Pacific Island".

Please check the HDV roster if you are able to work in the van at the Rose Festival as there are a few gaps for next weekend.

Reminder we have the 1st part of the AGM Tuesday followed by Club night / Committee meetings.

Closing thought: "*Before you marry a person you should first make them use a computer with slow internet to see who they really are*" Will Farrell -Comedian/Actor (wonder if that is why I am still engaged!?! Haha!)

Have a great weekend

Jess
