

Don't forget to let me know if you would like to order a club photo, \$10 each.

We had another thank you letter from our 'Books for Babies' project:

I just wanted to drop a line to The Rotary Club of Timaru and say thank you for the book that is included in the plunket pack we receive as new parents. We are very grateful and think it is a brilliant idea. We are very fortunate our wee one already has an extensive collection of books, but know many families are not so lucky.

Thanks again,

Rebecca and baby Hank.

There are still a few of you left who I have not asked to share your fun fact or worst job stories. My weeks at the helm are dwindling away but don't think I have forgotten about you! Get your thinking caps on

Please let Malcolm McDonald know if you would like to attend the upcoming PHF lunch, see below for details.

Thought of the week:

Quote from the late Justice Ruth Bader-Ginsburg

“If you want to be a true professional, you will do something outside yourself. Something to repair the tears in your community. Something to make life a little better for people less fortunate than you. That's what I think a meaningful life is, living not for oneself, but for one's community”.

Keep warm this weekend!
