

Gordon Ireland and Michael Boorer were along from the 'South Canterbury All-Weather Athletics Track Trust', talking about their project to resurface the track at Aorangi Park on Morgans Road. They have left us with a very thorough report that will be taken to the next Charitable Trust meeting for consideration, along with their application for funding.

Our Charitable Trust has confirmed a donation be made from the Bill McKay Trust towards the 'South Canterbury Bike Skills Park'. \$20,000 will be given towards the project and there will be 2 bridges with naming rights in the park. We played a message on Tuesday from Bruce (Suburban Lions Club) that was left on the Wilson's answer machine, overjoyed we were able to help out with funding, and there has also been Facebook posts circulating on the web.

This is a FANTASTIC community project that will enable young children from around our region to have a safe place to learn road rules and just simply have fun.

HDV roster has been updated for the Rugby 7's on Saturday 14th November, so please fill up the slots of you are able to work.
