

Again this week, I have received nice thank you notes for our work out in the community. We received a lovely card from a wood recipient and another from a Lions Club member to thank Jim for his work over the weekend at the Park Centre Gardens. Not that we do anything for the recognition, but it certainly is nice to have a little appreciation thrown back our way for all the hard work we do for our community. Well done team!

We have our changeover dinner at the end of the month at Bullock's Ponderosa as well as the District Changeover in Cromwell. Check your schedules and book yourself in!

A reminder to let Tony know if you need a ticket for the upcoming play at the Little Theatre and let Gilly know if you would like to attend the concert at Aigantighe Art Gallery.

Thought of the week: Don't ever question the value of volunteer. Noah's Ark with built by volunteers, the Titanic was built by professionals.

Warm regards,
