

We formally recognised the tireless efforts of three of our members by awarding Robyn Baldwin and Stephen Don Paul Harris Fellowship awards and Tony Henderson a PH Sapphire Pin. These members have made a huge contribution to our club and community for many years now and they thoroughly deserve to be recognised for their efforts. Congratulations to you all!

Thank you to our newly appointed Past President Bev for all your support during your wonderful year as President. I have enjoyed working and learning from you over the last 12 months and I hope you enjoy your (only small!) step back to the back seat this year!

We have the Hot Dog Caravan up and running again (please put yourself on the roster for any available dates if you're free) Last week had our first week back 'post COVID', we started mid-morning with the JAB grading day and we had a cracker day! We just about sold out of hotdogs by lunchtime which sent Paul on a mad dash to stock up on supplies! We took over just over \$1200 for the day, a great start to the season.

Have a great weekend!
Catch you Tuesday ?
Jess
