

Have you registered for the Rotary D9999 conference in Christchurch on Saturday 20th April?
It will be a good chance for a weekend away - come join us!! To date, we have three club members registered.

We have been offered the opportunity to attend a Movie Fundraising event organized by Altrusa, on 20th March. Details will be shown elsewhere in this bulletin.

The very successful "Illuminate" light show in the Botanical Gardens is scheduled for 26-28th April, & 3-5th May this year, and our club have the opportunity to assist, as we did last year, so please pencil the dates in your diary and when we have further information, we will pass it on and set up a roster for those willing to participate.

The same team are also doing a one-off "Colourfest" on April 6th, which should be fun, so like above, when further information is received, we will organize further.

A plea from Lionel - he is working on "speaker" slots for the rest of the year and would like to hear if you have any suggestions for speakers he can add to the list.

Jess Hewitson & Julie Dockrill have left on their journey to Thaplung, Nepal, to deliver resources and information on safer childbirth practices and assist with further enhancements to the health Hub (which our club has been involved with helping to build in the past). They are very grateful for the support and donations they have received, which will assist immensely.

I am looking forward to catching up with you all again on March 12th (unless of course, you are attending the Theatre Show, in which case, we will see you then).

Lynette
