Foodwrap

Sizes: 330mm wide x 300 metres
330mm wide x 600 metres

A high quality European manufactured food wrap, presented in an attractive dispenser box with zipper/cutter bar included. Yes, we all use these to wrap our sandwiches and cookies. But you may be surprised how many metres of food wrap is used! Excellent clarity and strength - use if cooking in the kitchen too.

Roll-Foil

Roll-Foil is a very popular consumable in the kitchen, both for cooking and catering. Our dispensers are easy to use, attractively presented and come complete with a built in cutter bar. Every kitchen should have one!
