

This is a unique invitation to hear from Nicki - an engaging speaker and to learn more about Rotary's relevance into the future. This is a great way for us to come together and mix and mingle with other Rotarians in our district.

It's also a chance to hear about plans for regenerating New Brighton from the Chair of the Community Leadership Group which is leading the 'village green' project in the New Brighton Mall and experience a wonderful new facility in the east of Christchurch.
