

2 May 2018

Peter Russell  
The President  
Rotary Club of Timaru  
PO Box 78  
Timaru 7910

Dear President Peter and Members,

It was indeed a pleasure to be present at your club meeting last Monday.

We very much appreciate and thank you for the donation of \$6,000 towards the Emergency Response Kit programme. It will be used to assist the funding of 750 kits being packed by our volunteer team over the next 3 months in preparation for the next cyclone season.

An acknowledgement will be placed on ten of the kits recognising the club's contribution and be included in a shipment bound for Samoa to replenish the prepositioned stock distributed following Cyclone Gita in February 2018.

Your kits will continue to ensure communities in the Pacific that you may never meet will benefit from the club's generosity.

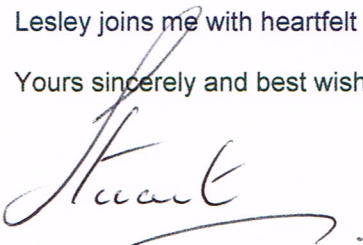

We also acknowledge the club's support for the Donations in Kind programme and especially for the container of school equipment (desks and chairs) which formed part of a larger shipment sent to Fiji last year. All have been distributed to a number of schools and to the homes of children, homework still being part of learning in Fiji.

Pleased to advise that the cartons of books picked up from PDG Lionel's office are now in our Christchurch container to be sent to a Pacific country in the next consignment.

With very best wishes for the club's continuing contribution to the world community both locally and internationally, and to each member, that all will continue to find Rotary service a rewarding experience.

Lesley joins me with heartfelt thanks for your warm hospitality.

Yours sincerely and best wishes,

Stuart J Batty  
Executive Director
