## INVEST IN YOUR RISING STARS

RYLA is an invaluable programme that brings together individuals to harness creativity, diversity, inspiration, energy and leadership to cultivate personal growth, challenge limits and empower.

Do you believe in investing in your young leaders? Do you see potential in someone within your workplace that needs to be unleashed and positively developed? If you understand the value these young people will bring back to your business, then RYLA is the right choice to help grow your business.

RYLA is a 6 day live-in residential Leadership Course and is probably the most competitively priced Leadership Programme available at just \$900pp (GST exempt)

**Values:** Harnessing diversity and utilising strengths in others | Tolerance and understanding uniqueness | Developing self-leadership | Inspiring courage

**Aim:** To empower young individuals to create growth within themselves and their communities through harnessing their leadership potential. Participants will:

- Grow and develop as a leader
- Discover and develop their own personal skills and strengths
- Challenge themselves physically and mentally to extend their capabilities
- Interact with and learn from inspirational business and community leaders
- Network with like-minded individuals from varying backgrounds
- Advance their ability to operate and communicate effectively in a team environment
