

This response is another reminder of the transformational impact that the ShelterBox + Rotary partnership is creating around the world, as we work together to ensure no family is without shelter.

In fact, over recent days, Rotary facilitated a crucial meeting with the Moldovan government department to explore we can best support people coming into Moldova - a country that has, per capita, received the highest number of refugees. I've attached an image that was taken during the meeting - from right to left, you can see Richard Lines (ShelterBox), Svetlana Ciubuc (a member of Rotary e-Club Moldova International), Felicia Bechtoldt (the Secretary of State of the Ministry of Labour and Social Protection), Alexandru Robu (the Charter president of Rotary Club Chisinau Triumph), Tatiana (a member of staff of Felicia Bechtoldt) and Martin Strutton (ShelterBox).

Thank you so much for your vital support - it's because of you that we're able to help families on their first steps to recovery.

Best,

Chantelle.
