Dear Rotary Members,

On behalf of Alzheimers South Canterbury, I wanted to take a moment to say a huge thank you to all the members who helped to give our fences at the park centre, not only a lick of paint, but a new lease on life.

This was a massive job, one that took many hands over many hours/days so I wanted to say what an amazing job you've all done and how humbled we are with your generosity to undertake this project for us.

As you'll know the Park Centre is used regularly by various community groups, the primary group being the Enliven Day Centre for the older persons day program. Your hard work has helped revive the outside of the centre, complementing the beautiful garden that's coming along – contributing to a place where people can either enjoy being outside, or for those who aren't able to get out and enjoy it, can enjoy the view from the inside. Many people across the community will benefit from the amazing work you've done, and for that we're truly grateful for your support.

It would be appreciated if you could please pass our thanks onto the wider group.

As it's November, I'd also like to take the time to wish you all a very Merry Christmas and a Safe and Happy New Year. I look forward to us continuing to work together in 2026 and beyond.

Kindest regards,

Rosie Chambers
Alzheimers South Canterbury Manager
