

2 September 2021

PDG Lionel Wilson
Rotary Club of Timaru,
P O Box 78,
Timaru

Dear Lionel,

We very much appreciate and thank the Rotary Club of Timaru Charitable Trust for the donation of \$5,000 towards our Emergency Response Kit programme.

The donation will be used to replenish the 945 Kits recently distributed to families in Fiji following the devastation of Cyclones Yasa and Ana which struck Fiji on 17 December 2020 and 1 February 2021 respectively.

Your members most likely will never meet the families who benefit from their generosity, but be assured, for the recipients of Rotary's Emergency Response Kits, it most often the first tangible support they receive following a natural disaster.

This Rotary programme is about restoring dignity to the underprivileged when they at their most vulnerable.

Best wishes for future endeavours, that the Rotary Club of Timaru will be filled with memorable milestones.

Yours sincerely,

Stuart J Batty
Executive Director
