Dear Rotary Members

We are very excited to once again to be working with Rory Foley and his Fear NZ team on an event that was developed and run very successfully out of Christchurch over the last two years that is being bought back home to Timaru.

This event is a Trick or Treat Family Fun Day run out of our very own Caroline Bay. With Halloween becoming more popular over the years, it is a safe way for children to experience dressing up in theme and coming out and enjoying Halloween.

The event is to be held on Sunday the 28th October 12pm-4pm.

We will have the help of Countdown, Event Hire and hopefully the Caroline Bay Association. Rides bouncy castles, old time games, free candy, stalls, food, competitions, mascots, characters and lots of fun!

We will also need a lot of help and would love you to be involved. We will need help with set up/pack down, perimeter management, games, and of course the handing out of candy. We do encourage everyone to dress up...but that is also optional.

We would love for you to be involved in this event that we are hoping to become an annual event for our area.

Look forward to hearing from you.

Warmest regards

Louise Haley
