Members, Invited Guest, Visitors & Service Groups

Mandatory Vaccinations effective from December 3rd 2021

Dear Member, Invited Guest, Visitor or Service group the directive of the NZ government is that hospitality venues are required to ensure all guests aged 12 and over are double vaccinated from 03/12/21 until further notice. Guests under 12 are classed as exempt under current health orders. Please indicate on entry that you acknowledge this directive, before proceeding to enter any Club premise. Proof of vaccination will be required until NZ Health mandates that hospitality venues may again welcome unvaccinated guests.

Members may provide proof of vaccination, after which, a vaccination indicator will be added to the membership card plus appear to staff every-time a membership card is scanned. The indicator is for ease of entry for members when door checks become a regular occurrence. Only those able to prove being double vaccinated will be permitted entry to any TT&CC Club building. This mandated requirement extends to visitors, contractors, suppliers or any person wishing to gain entry to any TT&CC building at any-time.

The Management, Staff and Executive committee, although well beyond their control, apologize for any possible inconvenience caused.
