M.A.T. CAPARAS
PRESIDENT - 1986-87

26 February, 1987

Mr. Chandru Parmandand
President, The Rotary Club
Kowloon Golden Mile, Hong Kong

Dear Chandru:

It is my pleasure to welcome your club to the worldwide fellowship of Rotary International. You and your fellow charter members are now part of a brotherhood of service that extends to more than 160 lands around the world and includes more than one million Rotarians.

For eighty years, Rotary International has developed an outstanding record of service that is reflected today in a vast array of innovative projects. Yet it is rightly said that the greatest reward for doing is the opportunity to do more. That challenge is summed up in this year's theme: ROTARY BRINGS HOPE. The opportunities that are before us to bring hope are as diverse as the range of human need and imagination.

Each of you in the Rotary Club of Kowloon Golden Mile has joined with us in a common cause: for children without polio and food for all people, for life with dignity in a world at peace. I am confident that your club will find practical ways to bring hope during its inaugural year. This is the foundation upon which your service will be enhanced in the years to come.

My best wishes are with all of you as you demonstrate in your community and through international service that Rotary does indeed Bring Hope.

Sincerely yours,

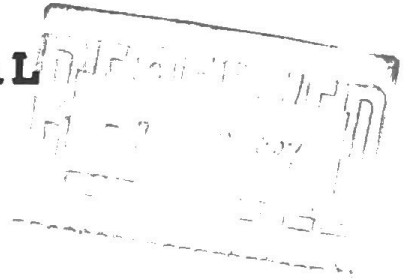

M.A.T. CAPARAS

Mr. Chandru Parmandand
President, The Rotary Club
Kowloon Golden Mile, Hong Kong

Dear Chandru:

It is a pleasure to welcome you and all charter members of the Rotary Club of Kowloon Golden Mile to the worldwide association of Rotary International. Today, as I write this letter, there are 22,657 Rotary clubs with 1,026,118 members in 160 countries.

You join a select group of men who share the goal of service to others. The diversity of Rotary service is truly amazing, and it is well documented in the publications and other materials which will be made available to you by District Governor Gary Huang and from the secretariat staff.

As the first president of the Rotary Club of Kowloon Golden Mile, you play a significant part in developing the fellowship and service efforts of your club. I would like to suggest that one of your earliest Rotary meetings be devoted to a discussion among the members of the object of Rotary. This brief statement is well worth study and discussion by each individual Rotarian.

I wish you every success in your leadership task this year.

Sincerely,

Philip H. Lindsey
General Secretary
