

ROTARY CAMBRIDGE COMMUNITY PROGRAMME MEETING JUNE 16TH

EXPLAINING WHERE THE NEWLY BUDGETED AGED CARE LARGESSE IS GOING

Federal budget statements tend to be an overload of information and intentions and this year's recent budget is no exception. Of significant importance to all retirees of course is the announcement of considerable funding increases for aged care.

Recognising that many retirees are not up to speed with the prevailing aged care funding and the concurrent rules and regulations (never mind the new funding), Rotary Cambridge Club president Jeremy Wood is anxious that the club's Community Programme should address the problem.

Jeremy says that he is delighted that Vanessa Maitland from Viridian Advisory has agreed to give an up to date informative presentation to a Cambridge Rotary meeting on the 16th of June when she will explain and demystify the differences between the current and the newly introduced arrangements for aged care management and choices and how the latter will affect individual retirees. Having worked in a senior position at Centrelink before moving to the private sector, Vanessa is a very experienced adviser who can draw on her font of knowledge to explain and simplify the new aged care choices and to answer any questions about aged care decision making.

To hear all about the recently budgeted increased funds for the aged care system and how those increases will or will not benefit individual retirees attend Vanessa Maitland's talk at the Rotary Cambridge meeting on Wednesday the 16th of June. It's a breakfast meeting, 7.00 for 7.30 a.m. at the Cambridge Bowling Club, Chandler Avenue West Floreat (below the Floreat Forum Shopping Centre). The \$20 fee includes a light breakfast.

Make a note of the meeting date and book your place now. Contact Jeanette Wood – 0413 190 412 or jp2wood@bigpond.com. This meeting is open to the public. Visitors, Rotarians or non-Rotarians alike, are welcome.
