NEWS ABOUT OUR CLUB MEETINGS, ROTARY GENERALLY, & OUR WORLD

Items that were further discussed at to-day's Club Forum included the following:

- Possible future joint project with Surabaya Club to be explored by the Surabaya Party. Waiting for feedback from Graham McHarrie on his return from Surabaya
- Possibility of Rotary Club participation in the Shed's Open Day was endorsed. Sale of plants and cakes was discussed. President Max will arrange with the Shed committee.
- Proposed to arrange a project to link older people with the Art Classes at City Beach Primary School through Sue Girak. This would be part of an inter-generational education programme. Various Age Care facilities have been put forward. Jeremy wood will action this.
