

SANTA DROPS IN ON THE WEMBLEY DISTRICTS JUNIOR CRICKETERS

There were shrieks of joy and high fives from boys and girls alike for Father Christmas when he dropped in at the final cricket session of the year at the Wembley Districts Junior Cricket Club.

Father Christmas distributed iced lollies to all the excited children.

For the past seven weeks as part of the club's Community Programme, the Rotary Club of Cambridge's members have overseen the sausage sizzles for over 200 junior cricketers.

Rotary Cambridge would like to thank the OzHarvest personnel who daily go out of their way to ensure that restaurants' and commercial food suppliers' excess stock and leftovers are donated to needy causes. Any junior cricket sausage sizzle leftovers are taken to St Bartholomew's House, a facility for homeless people in Perth. Rotary Cambridge are pleased to be working together with OzHarvest for the benefit of the greater community.
