## Rotary Moments

By: Past President (PP) Paliath “Mohan” MOHANDAS

PP Paliath “Mohan” Mohandas receives the Rotarian of the Year (RY 2021-22) Trophy from IPP Louis Lim

***Following is an extract of PP Mohan’s sharing with members at the Club’s National Day Celebrations held on Saturday, 13 August 2022 at the InterContinental Singapore.***

“My very first Rotary moment came soon after I joined the Rotary Club (RC) of Singapore, somewhat by accident, in December 1992. My induction into the Rotary Club of Singapore was my first memorable Rotary Moment. I had an interview with PP Bhagwan Melwani who was the senior-most Past President of R C Singapore, and therefore, by definition, the senior-most Past President in Singapore. He briefed me on Rotary and what was expected of a new Rotarian. My initial impression of course was that this may not be as much fun as I expected! But then I soon realised that apart from fun and fellowship, as a service organisation, we are here to do service for the less fortunate. I frankly had no idea what Rotary was all about when my colleague, Rtn B K Wong asked if I would like to “take his place” in the Rotary Club of Singapore. He could not attend Rotary meetings regularly anymore because he got a new job which involved a lot of travelling. Therefore he was planning to resign. He was kind enough to introduce me to Rotary.

For the first few years, I was not able to give much time to Rotary due to work pressures and related travel. When I retired from my active corporate life, I started to be more active in Rotary.

I had for several years turned down invitations to be on the Board, but finally was persuaded by PP C K Ang that I should serve on his Board. From then on I have been on the RC Singapore board many times as Director, Chairman of Vocational Service Committee, Chairman of Community Service Committee, and Vice President. I was also the Co-Chair of the prestigious Rotary-ASME Entrepreneur of the Year Award for 3 years, and Assistant Governor (AG) in 2012-13. Rotary’s involvement in starting such a big award got me to think about how we are able to influence communities through our hard work.

There are several Rotary Moments that come to mind – examples of some are:-

During my Presidency, when I led our team to Chitradurga near Bangalore for the Eye Camp that we do each year, I was simply overwhelmed at the sight of hundreds of villagers from nearby villages who came to this Government Hospital for cataract surgery. These are mostly illiterate villagers who have assumed that they will never be able to see again. After the team of doctors performed the surgery, they are given a pair of sunglasses and they rest at the hospital overnight; many patients and their relatives lying on the floor. Food and transport are provided for them. The next day Dr Solanki comes and examines each patient. When they open their eyes after the bandage is removed, they think that they have met God, and prostrate in front of the doctor and his team. This is a true Rotary moment!

Similarly, we went to several small towns in the northern Luzon area of the Philippines. Our Rotary doctors led by PP Dr Angamuthu Rajoo of RC Johore Bahru performed cleft lip and palate surgeries. Children who would not meet anyone or go to school but would simply stay at home due to their disability were transformed by this surgery. It was incredible to see 8-year-old Christian again after his surgery the previous year. Truly, another Rotary Moment. Another person who has done decades of medical work in the Philippines is our own PP Dr Oliver Hennedige.

## Rotary Moments... contd.

There are other Rotary Moments like attending the RI Convention in Singapore in 1999, which was the largest convention held at Suntec City. The convention Chair was none other than our own PDG Dr Philbert Chin.

Another personal Rotary Moment came when I was nominated to be the President of RC Singapore, the largest club in the District. Being the oldest club and the mother club to many others, there were years-long traditions to be maintained. I found that it was almost a full-time job to manage our club. Such a task could not have been undertaken, but for the help and guidance from committed leaders, Rotarians and Past Presidents who gave their time without hesitation.

There are of course several more Rotary Moments which can be listed. Overall, I can say that Rotary has been a very positive contributor in my personal life."

## Being an Honorary Member

*Also at the Club's National Day Celebrations held on 13 August 2022, Honorary Member (HM) Rtn Uttam Kripalani was requested to say a few words about becoming an Honorary Member.*

HM Rtn Uttam first thanked the Club for the honour given to him by making him an Honorary Member.

One of the reasons could be his impeccable record of Hundred percentage attendance spread over the entire period of 39 years of being a Rotarian of the RCS. To this could also be added the three years when he was a member of the RC of Cochin West in India.

He was also adjudged the Rotarian of the Year in 2014/15.

He also pointed out that over the years he had served as the Chairman or active member of many of the committees including CSC, YSC, ISC, VSC and had the privilege of heading the Major Project committee on several occasions. He spent many years on the Board including being the Honorary Secretary and Vice President.

As an MC and committee member he was involved with the President Installation evenings on at least three occasions and recently had the privilege of being the MC for the dinner evening hosted by our Club in honour of the RI President Shekhar Mehta

He pointed out that he has always taken his commitment as a member very seriously and strongly believed in the principle of Service Above Self.

He urged members both old and new to take full advantage of the opportunities available to create friendship and fellowship with a view to collectively working towards fulfilling the aims and objectives of the Rotary movement.

The potential offered to Rotarians is boundless provided efforts are made to plan, utilise and take advantage of the opportunities available.

Having joined the Club, we must set aside time and effort to play our part in the activities of the Club.

HM Uttam Kripalani with IPP Louis

Paliath Mohandas  
Dr Shahul Hameed

GG2117629 was launched in the midst of the Covid 19 wave in Cauayan City, Isabela province, Philippines, back on 05 December 2020. On 05 August 2022, a delegation from RC Singapore, led by PP Dr Oliver Hennedige, who for the past 35 years have been instrumental in our relationships with all the 7 Sisters Clubs in Philippines, visited the Global Grant Project site in Santiago City. Santiago City is about an hour away by car, from Cauayan City, in rural Isabela province of Philippines. This is where all secondary and tertiary medical treatment facilities are located for those in Cauayan. Also present was Mrs Irene Hennedige and District 3310 Rotary Foundation Chair, DRFC PP Dr Shahul Hameed and Partner, Michelle.

## Global Grant (GG) 2117629 COVID-19 Equipment Purchase – Cauayan City Philippines... *contd.*

We were greeted arrival by RC Cauayan Rotarians briefed by the Director of the Medical Centre. We were pleased to learn that the DNA/RNA Extraction Machine donated to the Centre is capable of rapid processing of saliva and blood samples for testing of various virus and diseases, including Covid 19. We were also glad to learn that as of date, 40,000 samples had been tested with this donated machine and another 20,000 test kits are available under the Global Grant funding. Many thanks to all RC Singapore Members for making a huge difference in the lives of ordinary folks here in rural Philippines who now need not wait 3-5 days before getting the results of their PCR tests. This played a crucial role in reducing the spread of Covid infections in the province.

## 3rd Club Meeting for Rotary Year 2022-2023 held on 3.8.2022

### Nomination for District Governor 2025-2026

President James reminded members of the Resolution for nomination of Past President Dr Shahul Hameed as suggested candidate for District Governor-nominee of Rotary District 3310 for Rotary Year 2025-26 and called for the adoption of the Resolution which was passed unanimously at the meeting.

President James then invited PP Dr Shahul to address the Club. PP Shahul thanked members for their overwhelming support.

PP Dr Shahul Hameed

### Proposed Prepayment for Dinner Dues

President James further called for the formal adoption of the earlier proposed prepayment for dinner dues which members unanimously voted to collect 30% prepayment (12 meetings per year - \$660) from members (except those who are exempted) based on an estimated total of 40 meetings per year. As this is in line with the constitutional attendance requirement, members will be given no accruals. (Exceptions include Honorary Members, Rule of 85 and Ambassador members). The billing for membership dues would be sent out in August.

### Panel Discussion

#### - Economic Future of Southeast Asia

Next on the agenda, was an insightful panel discussion of Rotarians who are at the forefront of shaping the future of their respective organisations in this new economic environment, which was moderated by Membership Director Rtn Francesco De Liva.

The panel comprised of Rtn Dr Denis Hew, Director at APEC Policy Support Unit, Rtn Jens Ruebbert, Managing Director & Head APAC at LBBW, Rtn Sean Leas, Founder of LeasAsia and ISC Director Rtn Varun Gulati, Director at Maitri Asset Management.

From left: Rtns Francesco, Denis, Varun, Sean & Jens

The topics discussed covered the current state of Southeast Asia; the engines of economic growth and the economic future of Southeast Asia, with the panelists highlighting their informative views based on their varied experiences.

Following the panel discussions, a lively Q&A session was held with members from the floor peppering the panelists with many questions pertaining to the economic future of Southeast Asia such as possibilities of nuclear energy in the region; and the need and investment of sustainable energy and the effects of one currency in ASEAN if feasible.

To extend the vote of thanks, Rtn Francesco called upon VP Tom Wolf who thanked Rtn Francesco for moderating the discussion, and warm thanks to the panelists for their expert views and the comments from members.

## 5th Club Meeting for Rotary Year 2022-2023 held on 24.8.2022

### SERVICE COMMITTEES' OVERVIEW OF PLANS

#### Vocational Service Committee (VSC) Meeting

Rtn Jacqueline Koh

VSC Director Jacqueline Koh introduced the Vocational Sharing Speaker, Rtn Ivan Lew who was part of the original team of the Club's Four-Way Test project and shared the project undertaken in June 2002 with then VSC Chair then Rtn Peter Koh.

The project saw the commission of a sculpture entitled *Passing of Knowledge* by Mr Victor Tan Wee Tar, winner of the Club's Artisan of Year (2021-22) installed in the Singapore Botanic Gardens. Rtn Ivan noted the generous donation from Dato Tan Hien Tien towards the project.

Rtn Ivan Lew

Rtn Ivan spoke of how the Four-Way Test message influence and the impact in his life, from his work in waste to energy management in China and India; to his involvement with Biolidics Ltd. with proven patented technology and he managed to turn the company around. He noted that the Four-Way Test was always in his blood and called on members to have another look at the Four-Way Test.

#### Youth Service Committee (YSC) Meeting

Rtn Mukundan A P

Director Mukundan A P highlighted the Committee's road map for Rotary year 2022-2023 and summarized the Interact and Rotaract Clubs updates as well as the work of the Rotarian Advisors. He further shared the Interact Leadership Training Camp updates.

Rtn Mukund further advised members of the some of YSC's projects as follows:

- RCS Banner Design Competition – participation limited to the Club's sponsored Interact Clubs.
- Asia Clean Hands Project by Hwa Chong Interact Club with support from RC Darjeeling
- Interact Exchange between RI Districts 3310 and 3350.

Rtn Mukund advised that in the coming YSC meetings, invitations would given to various Interact/Rotaract Clubs to present their clubs' updates. He then invited Interact President Umar Shah from the Interact Club of Raffles Institution to share his presentation.

Interactor Umar introduced himself, adding that he has been volunteering since a young age and found his passion to serve from the heart. He shared his Interact Club's structure of activities with its three focus areas of diversity, inclusivity and community engagement. He spoke of the club's weekly service to 5 different organisations where volunteers were allocated to build connections with the community. Interactor Umar highlighted their projects – Relay for Life, a community engagement with cancer patients, the Youth Got Heart project and their tutoring programme. He shared some of the Interact Club's tentative activities such as mural painting, Dine in the Dark and the FootballPlus project. In ending his presentation, Interactor Umar noted that the activities of the Interact Club were not just a CCA as it inculcated a spirit of giving with meaningful and sustained contributions to positively change people's lives.

Rtn Mukund with Interactor Umar Shah

President James ended the meeting with a reminder to members of the coming Club's Deepavali celebration on Wednesday, 26 October.

## The Four-Way Test

Of the things we think, say or do:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendship?
- Will it be beneficial to all concerned?

## The Guide to Daily Living

Before doing the things we want to do, consider first, the Precepts of the guide. Ask ourselves these 4 questions and act upon them:

**First:** Have I spent some time in self-examination?

**Second:** Have I spent quality time with my family?

**Third:** Have I given my best to my work?

**Fourth:** Have I given some time to someone near and far?

The Guide, in fact, encompasses the 4 parts of the Object of Rotary.
