Installation of the 90th President and Board of Directors

**BUSINESS IS THE
SCIENCE OF HUMAN
SERVICES.**

One Profits Most Who Serves Best

It is with great honour and humility that I take on the role of the 90th President of the Rotary Club of Singapore. I extend my deepest gratitude to our past presidents, whose unwavering dedication and exemplary leadership have established our club as the premier Rotary club in Singapore and the region.

As we look to the future, we draw inspiration from the visionary Rotary's founders, Paul Harris, and Arch C. Klumph. Together, their legacy teaches us the significance of community, collaboration, strategic philanthropy, and dedication.

The mottos of Rotary deeply resonate with us: "Business is the science of human service" and "One profits most who serves best." These principles define our unique organisation. Rotarians are compassionate, generous, and leaders in their fields—successful businesspeople and professionals. This empowers Rotary to be the world's foremost service organisation, addressing critical global issues with unmatched expertise and dedication.

Today, we face unprecedented global challenges. Unstable geopolitics, conflicts, economic decoupling, and environmental issues such as global warming pose significant threats to our world. Yet, in these uncertain times, the strength and resolve of our 1.4 million Rotarians worldwide become ever more crucial. As professionals and successful business leaders, we have the capacity and responsibility to make a positive impact and help steer the world towards a better future.

Let us embark on this journey together, inspired by our founders, guided by our mottos, and driven by a shared vision of service above self. Together, we can and will make a difference.

Artisan Award 2024

The Rotary Club of Singapore is proud to present the Artisan of the Year Award 2024 to Ms. Kavitha Krishnan, recognizing her craft's societal benefits.

Ms. Kavitha Krishnan, a trained Bharathanatyam dancer since the age of three, is the first dancer from Singapore to stage a solo performance at the tender age of eight. She has pursued her passion for dance, performing extensively both locally and internationally. She has represented Singapore Tourism and the National Arts Council (NAC) in various international programs and initiatives. Throughout her career, she has used her dance skills to create a therapeutic environment for individuals with disabilities as well as for the elderly.

Strings of Harmony: Iskandar Widjaja

A captivating performance by famous violinist Iskandar Widjaja was a highlight of the evening, reflecting the harmony and dedication that Rotary stands for.

Sister Club

On June 21, the Rotary Club of Singapore proudly hosted a vibrant sister club event, bringing together Rotarians from various sister clubs. The gathering was a wonderful opportunity to strengthen our bonds, exchange ideas, and celebrate our shared commitment to service above self.

The event featured engaging discussions, inspiring presentations, and a warm atmosphere of camaraderie. Attendees enjoyed networking and collaborating on future initiatives, reinforcing the global spirit of Rotary.
