

Dear Friend of Rotary,

The D7040 Passport Club has prepared a unique opportunity for you as a local business owner to advertise your business on the club website www.d7040passport.org, powered by ClubRunner.

Why advertise on the website belonging to the D7040 Passport Club? Advertising presents the opportunity to promote your business to the community by partnering with our Rotary club within your geographic area.

Club Specific Sponsor Ads: These ads are displayed on the club's website only. Pricing for a year is \$250.00. Right now, ads are free, but invoices will go out before July 1, 2017.

Most of the visitors to the D7040 Passport Club site are members and friends of local clubs within a close geographical area. It is uncommon to find such a high concentration of Internet visitors coming from the same neighborhood. This makes www.d7040passport.org an ideal site for small businesses offering products and services in this area. Since 100% of the advertising revenue goes back to our service club, this in turn supports the local community.

Benefits of advertising on www.d7040passport.org ...

- Get visibility in your local area
- Sponsor and support your community
- Enhance your business' public relations and image

If you would like to submit an ad, or if you want more information, contact Ariane Carriere. Please include your contact information.

Yours in Rotary,

A handwritten signature in blue ink that reads "Ariane Carriere".

Ariane Carriere
President D7040 Passport Club
Past Governor, Rotary District 7040
