

Recognition for Participation in the D7040 Rotary Passport Club

Unlike other Rotary clubs, the D7040 Passport Club does not have regular weekly meetings, nor does it sponsor (at this writing) any service projects or fundraising projects. At other clubs, attendance at club meetings, and sometimes at other club events and projects, is the measure of involvement and participation for a Rotary member.

In the D7040 Passport Club, our goal is to encourage members to engage with the other Rotary clubs in District 7040, or any other Rotary club in the world, by attending their meetings, service projects and fundraising projects. In addition, the D7040 Passport Club encourages participation in giving programs sponsored by The Rotary Foundation.

Instead of an attendance measure, the Rotary Passport Club will give credit for the participation of its members by crediting members for each hour of participation, whether it be meetings, service projects, fundraising, individual Rotary learning, or giving to the Rotary Foundation.

How It Works

Each year, a member is expected to earn attendance credits by participating in Rotary activities for at least 40 hours during the Rotary Year (July 1 - June 30), or contributing to The Rotary Foundation, or fundraising projects of a Rotary club, or a combination of the two. Every \$100 donated earns an attendance credit. Every hour of Rotary or volunteer activities earns an attendance credit. Every club meeting attended earns an attendance credit.

For Example - If Molly, a Rotary Passport Member, does the following during the Rotary Year:

Donates \$400 to The Rotary Foundation's Annual Fund = 4 attendance credits

Donates \$100 to a Rotary Club's Crab Feed = 1 attendance credit

Attends 10 meetings at different Rotary clubs = 10 attendance credits

Spends 25 hours of her time on different Rotary club service projects = 25 attendance credits.

Molly will be credited with 40 attendance credits for the year, the minimum requirement for D7040 Passport Club members. Club members are encouraged to do more.

How Hours and Dollars Are Reported

Members report their hours or dollars for the D7040 Rotary Passport Club through the My ClubRunner portal on the website <https://portal.clubrunner.ca/7040passport> .
