## Club General Statement

We are Rotarians, united in action and propelled forward by a common vision of the world. At Rotary, we do not tolerate discrimination or harassment of any kind. Our actions and our words make clear our respect for each other and those we serve. We value diversity and the unique contributions of each of our valued members. We strive to create a welcome and safe environment for all - one that is founded on collaboration and respect. As per Rotary International's statement: "Rotary will do our part to listen, learn and take action to ensure that we continue to contribute to making positive change." We stand firmly by these words. The journey is a never-ending one, and every day is an opportunity to learn and grow.
