the **BIG DIG**

TREASURE HUNT DONATIONS

Thank You for Supporting The Big Dig 2026

Thank you for considering donating a prize to The Big Dig 2026.

The Big Dig is a pirate-themed family fun day that will become an annual Father's Day event in Caloundra, beginning in 2026. Children and adults will excitedly dig on the beach for buried treasure tokens, with every participant receiving a prize.

The event follows the highly successful format of The Big Dig Port Macquarie, which has been running for the past 14 years. It continues to grow in popularity, with approximately 350 children and 180 adults purchasing tickets in 2025.

We expect many local families to participate, particularly dads and granddads enjoying Father's Day with their children and grandchildren. Strong interest from local media, statewide media and social media platforms is also anticipated, helping make The Big Dig Caloundra a significant community event.

Funds raised by the Rotary Club of Caloundra will be distributed to support local charities, community groups and not-for-profit organisations across the Sunshine Coast.

EVENT DETAILS

Father's Day – Sunday,
6 September 2026

9:00 am – 12:00 pm

Bulcock Beach Caloundra
