Keynote speaker, Ryan Hanlon, A/Senior Sgt, OIC Police Noosa Heads Sgt, OIC Eumundi will outline the scale of the local problem, the tools Police and community members may use to assist address this serious scourge via shared actions across our part of the Sunshine Coast.

Following questions, attendees are invited to meet members of R4MH (Rotarians for Mental Health – 5 local Rotary Club reps), and to hear short additional speeches outlining successful efforts to “Say No to Domestic and Family Violence” and to say “Yes to Respectful Relationships”.

We will then briefly explore some specific simple and effective steps we might all take to “do our bit”.
