community + kids

CONNECT community + kids

is a mentoring program
designed to support
vulnerable kids on the
Sunshine Coast.

You could help change the direction
of child or young person's life.

Two hours a fortnight and a positive
influence can have a really big impact.

Our mentoring program has
been several years in the making.
We know it works!

Share quality one-on-one time with
your own specially matched kid.

Our mentors have fun and provide
positive role modelling, friendship,
and encouragement.
