Request for help with Garden Show Parking

(You will be raising money for RUSCCF Scholarship Fund)

Mooloolaba Rotary has organised the parking at the Queensland Garden Expo for many years and it requires a large number of helpers. This year we are asking for help with the project. Our Club will donate a proportion of the proceeds based on the number of volunteer hours worked by your club to the RUSCCF Scholarship Fund in your Club's name.

Shifts & number of volunteers required.

Day	Time	*Shift Rating	Number Reqd.
Friday 8 th July	6am-7.30am	2	8
	7.30am-9.30am	1.5	16

	10am-1pm	1.25	8
	12pm-3pm	1	8

*To encourage people to work 'less popular' shifts, the hours worked are multiplied by the shift rating to determine your contribution.

Some shifts overlap but volunteers are encouraged to work several shifts if possible. Volunteers receive a free pass to the Expo and can take the opportunity to browse the exhibits before or after their shift or even work split shifts and visit the expo between shifts.

If you can help, please contact Ian Barnett ian_barnett@bigpond.com. Please include the shifts you would like to work and your mobile number in the email.

You will receive detailed information by email when you register.

Your assistance will be greatly appreciated.
