Foundation News

Some important updates

- Rotary has a new area of focus — supporting the environment — after a unanimous vote by The Rotary Foundation Trustees and the RI Board of Directors. The Foundation is developing the eligibility criteria for grants in this area of focus and will have more information beginning in October. It will start accepting global grant applications focused on the environment on 1 July 2021.
- The success of Rotary's global grants means that the demand for the grants is expected to dramatically exceed the resources of the World Fund. Because of this, the Foundation Trustees decided to stop matching cash contributions to grants. That change took effect 1 July. Grants that had already been approved are not affected. And cash can still be contributed — it just won't be matched. World Fund resources will still be used to match District Designated Fund (DDF) contributions at 100 percent.
- International sponsors of global grants now need to contribute only 15 percent of the project budget, not 30 percent.
- Disaster response grants may no longer be used for COVID-19 activities. Clubs and districts may continue to use district and global grants to help communities through the pandemic.

Global Grants Update

The Trustees have increased the maximum Global Grant award by doubling the amount of World Fund money available for a Global Grant to US\$400,000.

An updated Community Assessment Tools hand-book has tips on how to conduct effective community assessments

GLOBAL GRANTS - TRAINING

We will be conducting a training session at The Rotary Foundation Seminar in November 2020, specifically to cover the writing of Global Grant applications.

We will provide copies of successful Global Grant applications, together with a question - answer segment to assist your understanding of Global Grant procedures and applications.

It is hoped that at least two members from every Rotary Club will attend the Seminar.

Please note your diaries now:

TRF Seminar - 8th November 2020.

Further information will be available to each Club.

Paul Harris Society

The Paul Harris Society recognizes donors who notify D9600 of their intention to contribute US\$1,000 or more each year to the Annual Fund, PolioPlus Fund, or approved Global Grants.

The path to fulfilling your Paul Harris Society intentions is up to you. You can donate US\$1000 at one time, or in several smaller amounts until you reach that total. One easy way is to donate, for example, US\$85 per month.

Please commit to help make the world a better place.
