

2026 Take Stock in Children Backcountry Challenge

Dear Friend of Rotary:

The Rotary Club of Key Largo offers our sincere appreciation for your consideration of sponsorship for the 26th Annual Take Stock in Children Backcountry Challenge catch and release fishing tournament, scheduled for September 25-26-27, 2026. This tournament has benefitted the Take Stock in Children Program, as well as other local scholarships, for twenty-six years. All money raised by this tournament stays in the Upper Keys.

The Take Stock program empowers underprivileged students to receive full scholarships to Florida colleges and universities. Every dollar of Take Stock scholarship money is matched by the State of Florida dollar-for-dollar. Take Stock Scholarship recipients receive a full 4-year scholarship after they have fulfilled all contractual commitments to maintain good grades, show good student conduct, attend school regularly, stay crime and drug free, and attend weekly mentor-mentee meetings.

With your help, we will be able to reach our goal for 2026 to raise \$60,000 for Take Stock in Children and the Key Largo Rotary Club Scholarship funds. We rely totally on the support and sponsorship of our community, and we are proud to count on your business/personal support as a sponsor this year. Your donation greatly assists us in raising more money to give back to the community.

Thank you for your continued support.

Sincerely,

Rotary Club of Key Largo
