### ROTW: Camile Peter

Camile Berry is the Chief Operations Officer at the Girl Scouts of the Colonial Coast and has served in this capacity since 2010. Her role as the COO provides the opportunity to be the strategy lead and risk manager for the Council, and a pacesetter for the Girl Scouts on-the-ground workforce of 60 staff and 6,800 volunteers, serving 13,000 in the southeast Virginia and Northeast North Carolina region.

Camile spent her youth in Lubbock, Wichita Falls and Aransas Pass, TX, where upon finishing high school, she joined the US Navy as an Electronics Technician (ET). Camile served aboard the USNS Saturn (T-AFS-10) and at CINCLANTFLT in Norfolk, VA. At NAVCAMS MED in Naples, Italy, Camile managed a team that designed and administered communications and computer networks for the US Navy and NATO fleets based in the Mediterranean.

Camile's experience in the field of Information Technology spans over 30 years, and in 2008, Camile joined the Girl Scouts of Colonial Coast staff as the Director of IT to lead the migration of core business processes and regional-wide telecommunications systems to integrated enterprise applications.
