POLIO PLUS: Since the ballgames have been canceled, Rotary District 7600 will match **EACH GIFT TO POLIO PLUS RECEIVED BETWEEN JUNE 1 AND JUNE 20** with District

Designated Funds

(DDF) dollar for dollar. DRFC Stephen Beer said a \$100 gift with matches from DDF, TRF and the Bill and Melinda Gates Foundation will yield \$900 toward polio eradication. (Here's how the math works in case you're interested: Your \$100 + \$100 (match from District) + \$100 (TRF -The Rotary Foundation match) = \$300 which then results in a 2 for 1 match by the Gates Foundation of \$600 with a grand total of \$900) or if a club gives \$1000, with all of the matches, the club's \$1000 becomes \$9000. You can't beat that rate of return!

Once you make your donation, send an email to District Polio Programs Chair, Colleen Bonadonna at colleen@bonadonna.net to let her know the amount of your gift so the district can match your polio donation before June 30. Since mailed contributions may be delayed, consider making your gift online.

The Four Way Test: Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
