### ROTW: Camile Peter

Camile Peter is the Information Technology lead at First Colonial High School and has served in this capacity since 2018. Her role provides the opportunity to be a technology strategist for Virginia Beach City Public Schools, while maintaining and troubleshooting all technology/communications equipment, software and networks for over 1,800 students and 250 faculty. Camile spent her youth in Lubbock, Wichita Falls and Aransas Pass, TX. From there she joined the US Navy as an Electronics Technician (ET). Camile served aboard the USNS Saturn (T-AFS-10) and at CINCLANTFLT in Norfolk, VA. At NAVCAMS MED in Naples, Italy, Camile managed a team that designed, implemented and administered communications and computer networks for the US Navy and NATO fleets. From 2007 to 2018, Camile served as the COO for the Girl Scouts of the Colonial Coast, providing strategic leadership, risk management, and technology expertise, supporting 56 staff, over 6,000 volunteers and 12,000 girls in the southeast Virginia and Northeast North Carolina region. Camile's has three children, Camille Ellen, Melissa Elizabeth and William Carl, and is married to Paul Peter.

**Rotary Foundation: THANK YOU** to our members for their generous support of The Rotary Foundation during this Rotary year ending 30 June.. Our club achieved 100% EREY and 100% Sustaining club status again with RCHR members having donated \$17,515 to TRF's Annual Fund and \$5,904 to the PolioPlus campaign. The generosity of our Rotarians is inspiring, arguably more so during what could only be considered a unique and challenging time. Again, thank you and well done. Your gifts help the less fortunate in our community and throughout the world.

The Rotary Club of Hampton Roads adopted a Kempsville High School Senior and Interactor, Allie Daniels. A basket was sent to Allie in honor of her graduation.

Is it fair to all concerned?

Will it build goodwill and better friendships?  
Will it be beneficial to all concerned?
