

3 July 2019

COFFS HARBOUR CITY COUNCIL

Sawtell Sun

## The Rotary Wheel turns

Thank you to all our guests who helped us to celebrated the achievements of the past year and welcomed our new President and Board for the 2019/20 year.

PDG Rob Anderson added gravitas to the evening in his role as the District Governor's delegate, and newly inducted President Warren Hollyman was in the company of his wife Lyn plus their daughter, son-in-law and 2 grandsons.

Members also enjoyed the opportunity to meet our outgoing exchanged student for 2020, Emily Buckle, and her family. Emily's mother, Julie, enjoyed catching up with Bob Carle who was her club counsellor when she went to America as Sawtell's exchange student in the 1980s.

We were also joined by prospective member and father of our current exchange student, Shane Della.

Past President Ellis Nicholson delivered a thoughtful address on the achievements and challenges of the past year and thanked all of the members and his wife Bronwyn for their contributions.

Steve Kassulke gave the toast to Rotary International sprinkled with many impressive statistics. All of which passed the on the spot fact check by PDG Rob. Mike Fayle & Ellis authored another excellent annual report.

All in all, splendid kick off for our next year of service to the Sawtell Community.

# THE ROTARY CLUB OF COFFS HARBOUR DAYBREAK presents

## An Evening with Dr Richard Harris SC OAM

Join us for an informative evening with Dr Harris as he recounts his involvement in the dramatic Thai cave rescue in 2018. As Australian of the Year, Dr Harris will share a message of courage and resilience followed by an informal question and answer session.

This is an event not to be missed!

**Saturday 26th October 2019**

**6.30pm for 7.30pm start**

**Opal Cove Resort, Pacific Hwy, Coffs Harbour**

**Tickets \$55**

**Ticket includes one drink and canapés on arrival**

**<https://eventbrite-dr-richard-harris-daybreak-rotary.eventbrite.com.au>**

Proceeds from this event will raise funds for Rotary projects including technical patient monitoring equipment for the Mid North Coast Cancer Institute. For more information call Marilyn Brien 0418 693 914
