## Open Board Meeting

President Warren Hollyman welcomed members to our first new format Open Board meeting where all the members of the club are welcome to attend and participate in discussions at the monthly Board meeting.

The agenda included a vigorous debate about our support of our local schools, in which several members eloquently supported our current literacy program for primary schools, now in its 17th year, and the funds channeled from the annual Trivia night.

A concern was ensuring that the Club receives due acknowledgement and recognition from the parents of our support. Alison Williams noted that recognition of Rotary's good works had also been discussed at the District 9650 Assembly.

It was agreed that the club seek

to present the books at an assembly or speech night.

Steve Kassaulke confirmed that the Christmas event will be held at Raleigh Winery on December 15th.

Members were pleased to hear that we'll be able to catch up with Drew Bogema on Thursday at the Downton Abbey movie night.

Bon voyage to Paul Newton and Kath, who are now on their way to the UK for five weeks.
