Rotary Club of Sawtell

Sawtell Sun

From President Warren

MY FELLOW ROTARIANS

Unfortunately owing to the COVID-19 virus the world has changed but this imposition won't stop the Rotary movement and like the majority of most clubs your club has researched all avenues and feel the Zoom on line system suits our requirements.

Two weeks ago we had our first online session with ten Rotarians on line but a week later we had four with two having problems with their equipment. I am sure all will agree four is a very poor effort and I know all members will make an effort to be on line on Monday 20/04/2020 at 07.00pm. Meetings will then be fortnightly at 07.00pm.

Meetings will follow the same lines as normal meetings with reports, Affirmation, International toast and Sergeant Session. We will start each meeting with five to ten minutes fellowship and run for one hour.

I will look forward to seeing you on Monday 20/04/2020.

Yours in Rotary,

Warren H

Isolation offer

At the Club's Zoom meeting on the Monday 6th of April, several members had kind suggestions to help in these dire times of the Golf Club closing, oh, and the need to self isolate.

Ellis Nicholson is happy to take anyone on a guided 10 kilometre walk, of course one at a time (to comply with outdoor gatherings being limited to two people), and while maintaining appropriate social distance (1.5 metres).

April Wedding Anniversaries

1. Who were married on 19 April 1969?

2. In which year did Sue and Peter celebrate their marriage on 24th of April?

3. Who tied the knot on 14 April?

Hint: last year I misnamed the bride!

April Wedding Quiz

Three of our club's couples celebrate wedding anniversaries in April. Can you answer all 3 questions? Email your answer to roslyn.cousins@gmail.com
