Rotary Club of Sawtell

Sawtell Sun

Face to Face at Kassulke's

Members were delighted to get together last Monday, thanks to the hospitality of Heather and Steve Kassulke. The club made good use of Steve's generously proportioned garage and met face to face for the first time in over four months.

Several members admired Steve's discipline, "Why isn't this space jammed packed full of stuff? If it was mine, it surely would be!"

Thanks to the contributing cooks

- Steve's signature spaghetti bolognaise
- Manna's butter chicken
- Roslyn's apple slice (Roger provided ice cream)
- Debi's blueberry and lemon slice and
- Heather provided a cake, complete with

chocolate freckles in honour of Peter's birthday on the 14th of July

It was a turn out for the club. We missed Alison, Shayne and Shane.

Warren, Ray and Alan all seemed to be enjoying their lack of duties, with Warren mentioning that this is the first meeting he's attended in a year without paper and pen.

Many a tale was told of visiting grand children and we were happy to welcome Ellis' son.

I was impressed as I drove up the somewhat steep drive, at the fitness of Alan and Warren who hoofed it up the drive at a fast clip.

Thanks from President Peter and the members to all those who contributed to the successful evening.

Not a thing of the Past?

That's Rob Alford obscured by the light flare and Rob Anderson centre top who has been helping out in getting our Zoom meetings going. It seems a sure thing that we'll be exercising our remote meeting skills in future.

After they went into the locker room, another golfer who had heard the old guys talking about their game went to the pro and said, "I've been playing golf for a long time and thought I knew all the terminology of the game, but what's a rider? The pro said, "A rider is when you hit the ball far enough to actually get in the golf cart and ride to it."

The Four Way Test

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
