Rotary Club of Sawtell

Sawtell Sun

## June is Fellowship month

Rotary Fellowships consist of members who share a common interest in recreational activities, sports, hobbies, or professions. These groups help expand skills, foster vocational development, and enhance the Rotary experience by exploring interests while developing connections around the world.

### OVERVIEW

- Help participants make lasting friendships outside their own club, district, or country
- Advance Rotary's public image and identity
- Serve as an incentive for joining Rotary and for maintaining active membership

Fellowships exist for:

# Shutdown transformation at the Nicholson's

---

From Ellis:

The mobile wheelbarrows are called cormidies and carted firstly a layer of blue metal covered with geotech, then a thick layer of crusher dust covered with geotech, then finished off with about 0.5m of soil on top from the street to the pool at rear of the house.

Now the beautification begins. Bronwyn has built the 'river'. I did the backbreaking bit placing the large rocks under guidance. Now begins planting up the area outside the 'river'.

Bronwyn welcomes any suggestions.
