As governor of the district, I endorse this club's application for admission to Rotary and certify that this application meets the requirements in Rotary's constitutional documents and the Rotary Code of Policies.

I confirm that these statements are true and correct:

All members of the proposed new Rotary club have participated in an appropriate orientation and education program under the guidance of district leaders and members of the sponsor Rotary club, if it has one.

The club has set an annual fee to cover its financial obligations.

The club has a well-balanced membership in compliance with Article 5, Section 2, of the RI Constitution: "Each club shall have a well-balanced membership in which no one business, profession, or type of community service predominates."

The club is fully aware that it is not entitled to impose any limitations on membership based on gender, race, creed, age, and sexual orientation.

All current or former Rotarians joining this new club have provided written proof from their current and previous clubs that all of their previous club debts have been paid.
